Oxford	BMAT	AAA	GCSE: Maths/Phys/Biol (or double) (C+) A Level: Chem and/or Biol/Math/Phys	142 (8 APP) 6 Int'l	admissions@medschool.ox.ac.uk 01865 285783 www.medsci.ox.ac.uk	X	Traditional, not integrated Intercalated (BSc in 3 rd yr). Subject based Lecture + tutorial based	✓ (within college, see oxb booklet, 2 day)
Peninsula	UKCAT	AAAab	GCSE: 7(C+) incl Eng/Maths A Level: includes 1 science + 1 non-science 320-340 pts from A2's, max 4 A/AS Maths + FM not considered separate, no GS	215 (10APP) 15 Int'l	01752 437444 medadmissions@pms.ac.uk www.pms.ac.uk	✓ (must get ABB first sitting)	Some integration. No traditional dissection. SSUs from yr1. PBL Intercalation possible on merit after 4 th yr	✓ (based around ethical scenario, 20 mins)
Queens University Belfast	UKCAT	AAAa	A: Chem + Bio/Physics/Maths. Bio if not A level must be B+ at AS GCSE: Double Award Science /Maths/English. They rate GCSE at 4 points for A* and 3 points for A, this gets added on to UKCAT score	250 (3APP) 12 Int'l	Dr D McClusky 028 90632707 s.clinmed@qub.ac.uk	✓ Possible if an offer has been made and held but one grade is too low.	Some integration, PBL and systems based, SSC Intercalation possible	X not usually for school-leavers
Sheffield	UKCAT	AAAab	GCSE: 6As, incl Eng/Maths/Sci (C+) A Level: Chem + 1 other science Chem + Bio to AS	230 (10 APP) 18 Int'l	Joanne Marshall 0114 2713727 Medadmissions@sheffield.ac.uk www.shef.ac.uk/medicine	✓ (AS only)	Fully integrated Systems based. PBL SSCs from yr1	✓ (20mins, panel)
Southampton	UKCAT	AAA	GCSE: 7(B+) incl Maths/Eng/Sci A Level: Chemistry + Biol at least to AS (Maths and FM not considered separate, no GS)	160 (17 APP) 20 Int'l	02380 594408 bmadmissions@soton.ac.uk www.som.soton.ac.uk	✓ (One only)	Fully integrated Systems based Intercalation possible on merit after yr3	X not usually for school-leavers
St Andrews (Bute)	UKCAT	AAA	GCSE: Eng/Biol(or double)/Maths (B+) A Level: Chem and Biology + Maths or Physics. No GS	160 (7 APP) 30 Int'l	admissions@st-andrews.ac.uk Mrs Mary Ainsworth 01334 462150 www.medicine.st-andrews.ac.uk	X (exceptions only)	BSc only, clinical years usually at Manchester. Some integration with a clinical summer program between 3 rd and 4 th Year. State-of the art labs and dissection facilities. Systems based.	✓

St George's	UKCAT	AAAb	GCSE: 416pts from top 8 subjects incl Maths/Eng/Sci (B+) (Average Grade A over 8 GCSEs) A Level: Chem and/or Biol to A2, other to AS(B+) FM only to AS	175 (8 APP) 10 Int'l	020 87255201 020 87252333 medicine@sgul.ac.uk www.sgul.ac.uk	✓ (AS only)	Integrated, PBL Systems based. SSCs from yr1. Intercalation possible at end.	✓
University College London	BMAT (achievement 5.0/5.0 /9.0)	AAAc	GCSE: Eng/Maths (B+) A Level: AAA plus an additional A Level. CT and GS may be considered but only as the 4 th subject. Chem + Biol to at least AS (contrasting 3 rd A2 is given preference)	306 (7APP) 24 Int'l	Brenda Cross 0207 6790841 medicaladmissions@ucl.ac.uk www.ucl.ac.uk/medicalschoo	X	Integrated from Year 3 Systems based Intercalated 6 th yr BSc	✓ (800 candidates, 20mins, 3 interviewers)

NOTES:

- APP = Applications Per Place. APP may be 2-3x **higher** for overseas students than for home and EU students.
- In general if GCSE English Language is not offered then a student will need to achieve at least 7.0 in IELTS (or equiv)
- All Universities will accept double award science at GCSE
- Often Maths and Further Maths at A/AS level are not considered separate – please check.
- General Studies and Critical thinking are usually not accepted
- See notes on types of medical course to understand 'Integrated', 'PBL', Systems based' etc.
- If re-sits are accepted then there are usually caveats associated – please check with the relevant admissions office
- There is usually specific advice on the specific interview procedure of each university on their website – please read before you go!
- St Andrews is Pre-clinical only (first 3 years) – following this you move either to Manchester or elsewhere in Scotland for the Clinical phase
- Kings College is Guys and Thomas's Hospital; Queen Mary is Barts and the London Hospital; UCL is Royal Free Hospital
- Peninsula is a partnership between the University of Plymouth and the University of Exeter
-

* The course at London Metropolitan University is a Biomedical Sciences degree (BSc) which leads onto a Medical Program at the University of Health Sciences in Antigua (MD). See main booklet for details

B.1 FOUNDATION COURSES FOR MEDICINE 2011-2012

- Designed to widen access to students with non-science A levels or those from less privileged backgrounds.
- A one-year foundation program of study which then filters into the normal medical degree. These courses usually amalgamate with a full medical degree to constitute a 6yr course.
- Don't confuse this type of course with other 'foundation' courses e.g. (1) entry level access courses offered to students who may need a further year of study before being qualified to enter medical school (see next page) or (2) the NHS Foundation Programme; a two-year training programme for UK medical school **graduates**.

UNIVERSITY	COURSE	TEST?	OFFER	ENTRY REQUIREMENTS	WEBSITE/CONTACT
Bradford University (University of Leeds School of Medicine)	Clinical Sciences (B991 BSc/CLSf)	Yes	200 points including an A2 science subject	Students will be selected on the basis of their academic potential, motivation and interpersonal skills. Preference is given to students from West Yorkshire but according to the admissions officer this has never been an issue.	http://www.brad.ac.uk/acad/clinsci/
Bristol	Premed (A104)	None	AAB	No Chem A-Level	Med-admissions@bristol.ac.uk
Cardiff	Foundation year (A104)	UKCAT	AAB	No more than one of Biol / Chem / Phys (Maths and FM not counted separately)	Medical-school@cardiff.ac.uk
Durham	Gateway to medicine	UKCAT	ABB - BCC	Reflective portfolio. AS Bio and Chem, A2 Bio or Chem (C+)	http://www.dur.ac.uk/foundation.centre/medicine/

B.2 ACCESS COURSES FOR MEDICINE WITH LINKS TO OVERSEAS UNIVERSITIES

- Designed for those who wish to go to medical school but don't have the right qualifications.
- Some students may go on to gain a place at a UK medical school but not all UK medical schools accept such courses so check before applying
- The three colleges mentioned below all have links to medical schools abroad, improving your chances of completing medical training even if it is not in the UK
- Carefully check the **accreditation** of each pathway offered to make sure they suit your requirements
- These courses are at colleges where you **enroll directly** rather than enter through UCAS
- Carefully check **fee structures** and financial commitments – remember this may change from year to year during the course

COLLEGE	COURSE	LOCATION	ROUTE	ENTRY REQUIREMENTS	WEBSITE/CONTACT
Abbey College	Foundation Programme for Medicine and Dentistry	Malvern, Worcestershire	On successful completion of a final exam, a place is guaranteed at a University in the Czech Republic	GCSE: (C+), Sciences (2+) English and Maths, must be 18 by University Direct entry into a Czech medical school is also possible if you pass the exam and have ...3 A Levels two of which should be sciences. Exam on 27 th August, June next year.	http://www.abbeycollege.co.uk/academic-courses/courses/medical-foundation/
M&D Albion College	The M+D Foundation	London	Provides entry to a pre-med course at the University of Sussex or straight onto a medical or dental degree abroad	GCSE A-C including Maths, Chemistry and Biology or equivalent IELTS 5.5 or equivalent	http://www.readmedicine.com/p_medical_school_foundation.htm
M&D University of Buckingham Medical School	M+D pre-med programme	London	CertHE (120 credits) can be used to transfer to a UK university or a secure transition to a University abroad – Spain (dentistry only), Eastern Europe or the Caribbean	Suitable for students who: - need to resit one A-Level subject - have not previously secured a place at medical school. - want a secure transition to a medical school abroad	http://www.mdpremed.com/
Warnborough College	Pre-medical Advanced Diploma	Canterbury, Kent	Linked to RCSI Dublin, RCSI Bahrain and St Georges (West Indies)	IELTS 7.0+ but you can attain this during the course	http://www.warnborough.ac.uk/our-courses/pre-medical-advanced-diploma

B.3 OVERSEAS MEDICAL SCHOOLS 2011-2012

The overseas medical schools below all offer a course taught in English.

As they are not the UK they are not part of the UCAS system so you have to apply to them separately, usually by a specific application form.

MED SCHOOL	LOCATION	ENTRY REQUIREMENTS	WEBSITE / CONTACT
EUROPE & CARIBBEAN			
Charles University	Prague, Czech Republic	Application form + entrance exam (can be taken in the UK)	www.lf3.cuni.cz/en/index.html Debbie Hughes 01684 892300 Debbie@abbeycollege.co.uk
Palacky University Medical School	Olomouc, Czech Republic	Phys/Chem/Biol preferred. AAB needed to get an interview. Exam has to be taken if you have B/C's	www.palacky.com/

University of Health Sciences	Antigua, West Indies	Entry from Metropolitan University Biomedical course (see above)	www.uhsa.ag/index.html

IRELAND		Dial 1280 00 before the number	
University College of Cork (UCC)	Cork, Ireland	<p>A Levels: Successful candidates presented a minimum of 520 points in 2010. Chem + Biol/Phys at A-Level, the 4th subject choice is not important with the exception that General Studies is not recognised. 3x A*'s plus an A at AS level could be sufficient. No foundation year is offered.</p> <p>GCSE: 6(C+) Maths, English plus a foreign language are required.</p>	<p>www.ucc.ie Lynn Bannon l.bannon@icc.ie +353 21 4902909</p>
National University of Ireland, Galway (NUI)	Galway, Ireland	<p>A Levels: Successful candidates presented a minimum of 719 Irish points. General studies and applied or vocational subjects are not recognised. Preferred subjects are Biology, Chemistry, Maths and Physics. A-Level points must be from one sitting only. A foundation year is offered.</p> <p>GCSE: 6(C+) including English, a foreign language, Maths and at least 1 Science subject (if only 1 subject was taken, entry is automatically to the foundation year)</p>	<p>www.nuigalway.ie Mary Liddy Direct: +353 91 495445 mary.liddy@nuigalway.ie</p>
Royal College of Surgeons Ireland (RCSI)	Dublin, Ireland	<p>A Levels: Successful candidates presented around 721 Irish points in 2010. Four subjects, preferably Phys/Chem/Biol/Maths. General Studies is not accepted. If a candidate re-sits all their exams in one sitting they may still be accepted particularly if there are extenuating circumstances for the extra time taken. A foundation year is offered.</p> <p>GCSE: 6(C+) including Eng/Maths/foreign language</p>	<p>www.rcsi.ie admissions@rcsi.ie Catherine Moloney cmoloney@rcsi.ie +353 1 4022248</p>
University College Dublin (UCD)	Dublin, Ireland	<p>A Levels: Successful candidates presented a minimum of 725 Irish points in 2010.</p> <p>GCSE: 6(C+) incl Eng/Maths/Sci/foreign language.</p>	<p>www.ucd.ie healthscience@ucd.ie +353 1 7161555</p>
University of Dublin (Trinity College) (UCD)	Dublin, Ireland	<p>A Levels: Successful candidates presented a minimum of 731 Irish points in 2010. Any two from Chem/Phys/Biol(C+) NB: Physical Education, General Studies and Media Studies are not accepted. Re-sits are accepted but only if all A Levels are retaken in one sitting.</p> <p>GCSE: 6(C+) incl Eng/Maths/foreign language.</p>	<p>www.tcd.ie/admissions admissns@tcd.ie +353 1 8964444</p>

Note: **The Irish points scoring system is different to that in the UK.** To translate GC(S)E points go to: <http://www.cao.ie/index.php?page=scoring&s=gce>
Applicants to Irish universities must take the HPAT (300 maximum Irish points) entry test (see notes in overseas section).
