

Value Statement

The value statement sets out the ethics, values and internal environment within which Ashbourne's teaching, administrative and management personnel work.

They are not set in order of importance and should not be seen in isolation of each other but should be practised in relation to each other and as a whole within the framework of Ashbourne's Mission Statement in pursuit of its mission.

1. Common direction, purpose and commitment
2. Students come first
3. Mutual trust, care and support
4. Integrity, professionalism, quality and excellence
5. People dealt with fairly
6. Initiative and freedom with accountability
7. Performance is rewarded
8. Commercial awareness
9. Job satisfaction and enjoyment of the totality of the Ashbourne environment
